

Project: Garfield School Renovation

Recipient: Westminster College

Location: Salt Lake City, Utah

Purpose: The requested funds will be used to begin the first phase of renovation of Garfield School which was recently purchased by Westminster College. This facility provides a crucial expansion for Westminster's landlocked campus and also provides a renewed focus on utilizing and maintaining the school. Garfield School is currently in poor condition and in need of restoration, including asbestos removal. Funding for this project will help restore the school to working order for the benefit of Westminster College students, while maintaining its historic elements.

Amount: \$900,000
